Dear Sir:

This has reference to the implementation of new ID service between Yermo and West Colton California and between Yuma, Arizona and West Colton, California pursuant to Section 14 of the proposed Agreement adopted by Award of Arbitration Board No. 598 dated December 29, 2013 entitled **Effective Date**. Please accept this as the Carrier's required seven (7) days advance notice to the Organization of its desire to implement service between Yermo and West Colton, California on or after March 24, 2014, and commensurate with infrastructure, operating and/or administrative planning. Please be advised that implementation of service between Yuma, Arizona and West Colton, California will occur at a later date.

Crew Management Services will arrange to post the necessary advertisements/notices in accordance with Section 13 (**Implementation**) of the Agreement/Award to make the assignments to these new runs. Feel free to contact me with any questions and/or concerns.

Sincerely,

D. B. Foley
